

Here's a Holiday Gift for Your Favorite Golfer

Ask your favorite golfer these questions: What is one of the greatest golf tournaments and the first major to be played the first week in April in Augusta, GA? What tournament is Jack Nicklaus the all-time winning golfer of—winning six times between 1963 and 1986? (Arnold Palmer and Tiger Woods have each won four.) What golf event is it nearly impossible for the public to get tickets to, including practice rounds?

Your golfer will probably guess right, but Intellectual property laws prevent us from stating the tournament name. Of course, it can't stop you from buying tickets to win the opportunity to secure a once-in-a-lifetime trip for two, April 4 and 5, 2012 at the beautiful and exclusive Augusta National Golf Club!

This golf raffle trip is made possible through a generous gift from Relph Benefits Advisors. The package includes round-trip private air charter service, from either the Rochester or Albany, NY airports, an overnight hotel stay with double accommodations, shuttle to and from the golf courses, dinner and cocktails, breakfast, and event host and one-day tournament badges. The lucky winners will also be invited to play a round of golf at Palmetto Golf Club (designed by the designer of Augusta National) or lunch and shopping or both!

Even better to warm your holiday heart, proceeds from your gift buying will benefit the Herkimer ARC's mission to enable individuals with disabilities, and others in our community, to achieve their full potential and to live enriched lives.

Tickets are \$100, and only 300 will be sold. If your favorite golfer doesn't win the big trip, your gift recipient will still be eligible to win the second prize at \$500, or the third prize at \$250.
