HARC to Host June Life Is Beautiful Tour

HARC Executive Director Kevin Crosley invites community residents to join him at a Life Is Beautiful Tour on Wednesday, June 16, to learn more about the nonprofit agency and services.

The June tour will begin at noon until 1 p.m. at 350 S. Washington Street in Herkimer, NY. The purpose of the Life Is Beautiful tour is to familiarize area leaders and community residents with HARC's mission to enable people with disabilities, and others in the community, to achieve full potential and to live enriched lives. Guests are treated to a lunch and meeting with Crosley, and site tours of Herkimer Industries, Day Services, and a brief ride on an HARC bus.
